

Barrels in Bloom

A NIGHT FOR BURNHAM SCHOOL

MAY 16, 2026

Barrels in Bloom is the signature spring fundraiser for the Burnham Elementary School Parent-Teacher Organization (PTO) — an evening that brings our community together to help our youngest learners and teachers thrive.

Because of PTO fundraising efforts, this past year at Burnham School was filled with meaningful moments for our K-5 students: hands-on enrichment programs like Garden Club, Science of Suds, and our new STEM Adventure Lab; beloved traditions that bring families together; teacher appreciation events; and every teacher's classroom wishlist fully funded.

"The enrichment programs funded by the PTO bring learning to life for our kids. My daughter comes home excited to share what she built in the STEM Lab or grew in the Garden Club. It makes such a difference!" — Burnham Parent

Barrels in Bloom plays a vital role in making these experiences possible.

Crucially, your sponsorship allows us to keep experience costs low or free and provide confidential financial aid for families, ensuring that every child can participate.

By sponsoring Barrels in Bloom, you're not just supporting a single evening — **you're making a lasting investment in the success of the Burnham Elementary community.**

Thank you for considering a partnership with us.

Warmly,

The Burnham School PTO Board

Your generous contribution supports the full range of the Burnham student experience, helping fund enrichment such as field trips, after-school programs, science and STEM initiatives, author visits, and fully funding classroom resources requested directly by teachers.

SPONSORSHIP INCLUDES:

- Premier recognition on event signage
- Dedicated sponsor recognition posts on PTO social media
- Four complimentary event tickets

Burnham Connector \$450

Your gift strengthens the connection between school and community, supporting beloved traditions like the Fall Festival, family engagement events, school garden initiatives, and teacher appreciation efforts.

SPONSORSHIP INCLUDES:

- Recognition on event signage
- Dedicated sponsor recognition posts on PTO social media
- Two complimentary event tickets

Education Champion \$250

Your contribution supports Burnham Elementary's educational mission by funding needs such as classroom supplies, innovative technology, art and music materials, library updates, and playground equipment.

SPONSORSHIP INCLUDES:

- Recognition on event signage
- Two complimentary event tickets

Friend of Burnie \$100

Be a pal to Burnie! Your donation gives the PTO the flexibility to say "yes" to student and teacher needs as they arise throughout the year.

*All proceeds benefit the Burnham School PTO,
a 501(c)(3) nonprofit organization.*
